

*Jockey & Jenny Sung by W. Lowe & Miss Falkner*

*Here Winter has left us the Trees are in bloom and Conspire to tell the Meadows per-  
fume while kids are sporting & Birds fill the sky I wait for my Jockey to hail the new  
May I wait for my Jockey to hail the new May.*

**Jockey**

*Among the young lilies my Jenny I've strayed  
Took thee for a Woodbine I bring to my Maid  
Thine I love so sweetly smiling & laughing day  
A Prize to form for my Queen of the May*

**Jenny**

*Oh Jockey fear you intend to beguile  
When parted with me'll I last night enquire  
You swore that you'd love her for ever & aye  
Forgetting poor Jenny your Queen of the May*

**Jockey**

*When all lilies are withered in the shepherd's green dress  
He'll see you there still and that have it in dress  
Beside three great kisses upon the new May  
Was that denie like Jenny my Queen of the May*

**Jenny**

*Of er you dance ye mums & eers draw near  
Till all suspicion what e'er may appear  
Believe not your eers & your place there'd betray  
I then come my dear Jenny and hail the new May*

**Jenny**

*This Garland of Roses no longer I prize  
Sweet Jockey false hearted has forsaken me  
He's gone so blooming this instant decay  
For Jenny's no longer the Queen of the May*

**Jockey**

*Believe me dear Maiden your lover's returning  
Your name is for ever the theme of my song  
From the dew of pale eve to dawning day  
I sing but of Jenny my Queen of the May*

**Jenny**

*Again balmy comfort with transport I view  
My tears are all expell'd since Jockey is true  
Then to our blest shepherd's green dress I'll convey  
That Jenny alone you've overruled Queen of the May*
